## Sponsorship

For those who want to support our cause

We are looking for individual, business owners and organisations who are willing to support us, our cause and give back to help ensure we reach everyone who has a need for our services.

This could be as simple as donating a cash amount as a 1-off, or, a monthly / yearly allowance, it could be by providing or by purchasing much needed equipment really there are many ways you can sponsor us and we want to help you find the right one!

What ever you decide we will uphold our promise to advertise and promote your business as our way of giving back!

## How it's done

### 1. **Choose your method of sponsorship**

This can be a cash deposit of a 1-off amount or regular instalments to help pay for placements for underprivileged clients or help towards a large purchase

### 2. **Provide us with Logos for marketing**

We will proudly display your logo on our flyers, emails, website and banners. It would also be great if you could provide logo'd work wear for staff and mentors to wear with our and your logo

### 3. **Attend our event's**

This might be tricky due to covid, however we tend to hold 1 large event each summer and you would be more than welcome to come along and chat to the event attendees about your business and what you do. Alternatively you can provide us with a banner to display!

## What is involved

If you've got this far we want to thank you from the bottom of our hearts, we know it's a big deal and we are so grateful you have even considered a sponsorship for Thera-Pony.
